Re: NWL Real Estate, LLC - rezoning request (Case 13-135)

EXECUTIVE SUMMARY:

A request by NWL Real Estate, LLC (owner) to rezone 0.94 acres of land from C-1 (Intermediate Business District) to C-3 (General Business District). The subject site is located on the south side of North Cedar Lake Drive, east of Commercial Drive, and is addressed 100 N. Cedar Lake Drive. (Case 13-135)

DISCUSSION:

The applicant is requesting to rezone a strip of land along the south side of Cedar Lake Drive, immediately east of Commercial Drive, from C-1 (Intermediate Business District) to C-3 (General Business District). The subject property is part of a C-3/C-1 split-zoned lot which contains the Columbia Performing Arts Center. The majority (approximately three acres) of the four-acre lot is zoned C-3, and the remaining 0.94 acre is zoned C-1.

The rezoning is being requested to establish C-3 zoning on the entire parcel in order to bring the existing Performing Arts Center building, and planned additions to it, into compliance with maximum building height limits. The existing building exceeds the maximum 35-foot height allowed within the C-1 district, but would comply with the C-3 district's 45-foot height allowance. City Staff have reviewed the request and found it to be consistent with surrounding commercial zoning and land uses.

Since advertising this request the ownership of the subject property has changed. The new owner, the Laurie Foundation for the Performing Arts, Inc, desires to proceed forward with this request and has authorized NWL Real Estate, LLC to represent them. A copy for a letter from the attorney representing NWL and the Laurie Foundation indicating such authorization is attached to this report and was provided to the Commission at its hearing.

At its meeting on August 22, 2013, the Planning and Zoning Commission voted unanimously (7-0) to recommend approval of the proposed rezoning. No one from the public spoke in opposition to the request. The applicant's representative was present to answer Commission questions regarding the request and the changes in ownership. The Commission, in rendering its recommendation, noted that the request was consistent with its surroundings and would simplify future zoning matters.

A copy of the staff report, including locator maps, the authorization for representation, and the meeting excerpts are attached for your review.

Re: Application of NWL Real Estate, LLC for Rezoning 100 N. East Cedar Lake Drive
("Property") from District C-1 and C-3 to District C-3

Dear Mr. Teddy and Mr. Zenner:

I just wanted to provide an update to you for the file regarding the change in ownership of the Property from NWL Real Estate, LLC ("NWL") to the Laurie Foundation for the Performing Arts, Inc. ("Foundation"). First, the deed transferring the property is dated July 16, 2013, and was recorded July 25, 2013 at Book 4193, Page 154, of the records of Boone County, Missouri. Second, NWL, although it is no longer the owner, is not abandoning the rezoning application but rather both parties now will proceed on the rezoning application as the applicants. I will be representing both NWL and the Foundation at tonight's Planning and Zoning meeting and in further related matters. Additionally, a joint representative of NWL and the Foundation will appear on behalf of such entities tonight.

Please contact me if you have any questions, comments or concerns.

Sincerely,

/Marjorie M. Lewis/
