Re: Smart Growth Conference & PZC FY 2014 Budget

Attached please find the tentative agenda for the Smart Growth Conference and the FY 2014 PZC budget. We will discuss who may want to attend the conference and talk about the budget limitations at the upcoming work session. Based on the budgeted amount for Commission travel it may be possible to send more than one member. I will have cost estimates for transportation, lodging, and meals to distribute at the work session.

Please feel free to contact me with questions.
