Re: Setting a Hearing: 2013 Consolidated Annual Performance Report (CAPER)

**EXECUTIVE SUMMARY:**

The U.S. Department of Housing and Urban Development's (HUD) Citizen Participation rules require jurisdictions to consider any comments or views of citizens at a public hearing prior to submitting the Performance Report. In order to comply with this requirement, staff has prepared a resolution setting a public hearing on the 2013 Consolidated Annual Performance Evaluation Report (CAPER) for March 17, 2014. The full report will be provided to the Council prior to the public hearing.

**DISCUSSION:**

The Consolidated Annual Performance Report provides an evaluation of the actions the City has taken to meet the priority needs, goals and objectives of the 2010-2014 Consolidated Plan; including those outlined in the City's 2013 Action Plan. The report includes the following:

1. Progress made for all activities funded with Community Development Block Grant (CDBG) and HOME funds; including the geographical location of activities, a description of project beneficiaries matching funds, and compliance with HOME and CDBG rules and regulations;
2. An accounting of expenditures of CDBG and HOME funds during 2013;
3. A description of actions taken by the City regarding furtherance of fair housing and removing impediments to fair housing choice;
4. A description of actions taken to address homeless needs and to prevent homelessness;
5. A description of actions taken to address other under served needs, affordable housing, lead-based paint hazards, and address poverty households, including public housing initiatives;
6. A self-evaluation of the City's activities, institutional structure and changes and improvements that will occur in the future to meet the City's community development goals.
