Agenda Item No:

Council Meeting Date: Mar 17, 2014

Re: Amendments to the FY 2014 Classification and Pay Plan

EXECUTIVE SUMMARY:

The ordinance adopts amendments to the City's Classification and Pay Plan for FY 2014.

DISCUSSION:

Employees represented by the International Brotherhood of Electrical Workers (IBEW), Local 2, participated in an election on February 19, 2014 to determine their represented status. The employees voted to decertify representation by IBEW. The results of the election were certified by the State Board of Mediation on March 6, 2014. All employees impacted work in the Water & Light Department.

This council bill changes the FY 2014 classification and pay plan by reassigning job titles with no union affiliation in those titles to the formerly represented positions. Pay structure and pay grade assignments do not change.

The employees became unrepresented as of March 6, 2014. This change in status also results in 100% City payment of the employees' group life insurance premium for the base employee policy, rather than 50% the City currently pays.

FISCAL IMPACT:

The change in life insurance payment will minimally increase costs to the various funds in the Water & Light Department and the Employee Benefit Fund. For the remainder of FY 2014, the increase will be approximately \$2,200. Because of employee turnover, no budget amendments will be required.

VISION IMPACT:
