Type of Work to be Done (describe): Tying reinforcement, removing blankets, removing foundation forms and installing foundation forms.

Work Location: 1222 East Walnut Columbia Mo
Dates and time of Extended work: February 2 2014 --- 10:00 Am to 5:00 Pm

Why extended work Hours are needed: Due to the temperature through the week, for the month of January on an average being below freezing or in the mid-20s .With the weekend temperatures being in the upper 30s to upper 40s & fair weather. This also appears to be the pattern for this week, as well. We are requesting extended work hours for February 2, 2014

Name and address of Material supplier: All material will already be on site.

Extended hours Needed for material Supplier and specific Startup time (concrete, asphalt, etc.): All material will be on site prior to the date we are requesting.
