**Position Title:**

Welcome to Our World (WOW) Youth Online Newspaper Leaders

**Department/Division:** Parks & Recreation / Community Recreation

**Purpose:**

To guide the young men and women in this young journalism group.

**Requirements:**

I prefer high energy & engaging people that can work with teens and children. Journalism & Education experience is preferred but not required. People that are really into the Columbia community wanting to make this program a long-term community gem. Ability to take authority of a group. This would be a great opportunity for journalism & education students that wish to work with the youth in the future.

**Task:**

Guide and instruct the young men and women in the continuous production of this website. Help with written articles, posting information...etc. I would allow this person to structure the group to their liking. It is currently in fine shape; but some changes are welcome.

**Dates:**

Flexible- would do my best to work with their schedule. But hopefully 2-4 hours a week is possible. I'd anticipate a day or two during the week at at 4pm or later.

**Location:**

Armory Sports Center – 701 E Ash. Corner of Ash and 7<sup>th</sup> street downtown behind the Courts Building.
