Re:

Speed limit signs Rock Quarry Road - CM Tracker #3779

EXECUTIVE SUMMARY:

Staff has prepared for Council consideration a report concerning whether additional speed limit signs should be added to Rock Quarry Road between Stadium and Grindstone. Staff is recommending adding one sign for southbound Rock Quarry, and replacing a southbound sign that was damaged.

DISCUSSION:

At the December 3, 2012 Council meeting, staff was asked to examine whether Rock Quarry Road should have additional speed limit signs installed, in both directions, near the middle of the road. There are currently two speed limit signs for northbound traffic (near Grindstone and about half way between Grindstone and Stadium) and one for southbound traffic (near Stadium). A diagram of the speed limit sign locations is attached.

At some point, a sign was displaced just south of the Hinkson Creek bridge. That sign will be replaced as part of normal operations. Due to new development along Rock Quarry, an additional southbound sign is recommended as shown on the diagram.

FISCAL IMPACT:

Two signs will cost \$300, and will paid from from Street Operations.

VISION IMPACT:

Columbia will have diverse travel options that allow for safe and efficient travel to and through destination points. Travel options will be compatible with adjacent land uses and coordinated with the transportation timing needs of the community.

SUGGESTED COUNCIL ACTIONS:

If Council agrees with staff recommendation, direct staff to install two additional speed limit signs on Rock Quarry Road.
